has requested to intimate whether the Scheme would become self supporting after the nine properties referred to by him are acquired, has not answered this point. But he states that the acquisition of these nine properties will clear the whole area of all obstructions and that straight roads could be formed. He also states that the cost of acquisition viz Rs10, 781/- will be met out of the provision under "Compensation for lands" and that the estimate could be suitably revised.

10) Govt have sanctioned an estimate for Rs78,000/- and Govt have promised to pay the half cost ie Rs 39,000/-. A separate reference regarding the payment of Rs 39,000/- being the Govt share is received. No provision is made in the Budget for payment of this amount. A suggestion has been made in the file relating to payment of Rs 39,000/- that the payment of the promised Govt share may be paid by reappropriating the Budget.

11) The chairman has not intimated whether the scheme would be a self supporting Scheme after acquiring the nine properties. Govt cannot pay any amount excepting Rs 39,000/- which has already been promised towards the above scheme.

12) In the circumstances stated by the Chairman Sanction may perhaps be accorded with clear instructions to the chairman that the entire cost should be met by the Town Board and that Govt cannot give any amount towards the entire cost

SIR,

Subject: Acquisition of properties bearing Door Nos. 2291, 2292,2302 and 2303 etc., in Paduvarhalli village, for connecting existing road running to the south of Adikarnataka colony.

With reference to your letter No.L.6248/ITB.3-55-23 dated 27-8-55 on the above subject, enquiring if the properties proposed for acquisition would come within the limits of self-supporting scheme, I write to state as follows:-

Government have sanctioned an estimate for Rs.78,000/- in G.O.No. L.3517-20/ITB.26-49-2 dated 21-9-1949 on the basis of equal contribution between the Trust Board and Government, towards the expenditure connected with the work, which includes acquisition of certain properties for slum clearance and formation of new roads. Already two sets of properties have been acquired as per sanction accorded in Government Notification Nos. L.14185/ITB.10-51-20 dated 3-2-1954 for acquisition of 9 hul-hittals and L.15932/ITB-3-53-19 dated 4-3-1954 for acquisition of 36 properties. The present set of nine properties are now in addition to the above two sets already acquired, as this will finally render the whole area clear of all obstructions, and straight roads could be formed. As these had not been included in the originally sanctioned list, and as these are found very necessary, the present proposal for acquiring nine properties has been put up for sanction of Government. The cost of acquisition of these properties will also be included in the above sanctioned estimate which is being modified as per actual execution of works.

P.T.O.

Under the circumstances, I request that sanction of Governmen may kindly be communicated, and early notification of the properties in the Mysore Gazette be caused.
